

OREGON'S GREAT STATE SURVEY

(This form would be e-mailed to participating schools)

Greetings fellow Oregonians,

We're third and fourth grade students from Waverly Elementary School in Albany, Oregon and we need your help! We are doing a geographic study to see how students in different regions of Oregon describe our great state. If you have a few minutes to fill out this survey, your information would be part of our study that will be published on our website as well as in our local newspaper! Thanks for your help; we couldn't do it without you!
